

Design

**Easy to
see
map**

**Obvious
ETA and
distance**

shows
buildings that
you go to on a
certain day

**highlights
classroom
numbers**

Navigation

**Giving
shortcuts**

Countdown of
when
crosswalks
change

**able to
see lines
at dining
halls**

**building
entrances**

**Walking
paths
without
cars**

Construction
and other
possible
temporary
obstructions

**add stops
for food**

Alerts

Trains

Notifications
of delays

**incoming
weather**

reminders to
check out
events and
locations

Preferences

Personalization on
avoiding hills

Set urgency of
arriving at
destination

set walking
pace/speed

**avoiding
steps**
